DETAILED ACTION

Allowable Subject Matter

Claims 1-39 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art does not disclose or suggest an optical waveguide perform and the method of making it comprising all the specific elements with the specific combination including a clad layer comprising a plurality of annular segments, that extend sequentially along the axis and with densities that differ along the axis from one another as set forth in claims 1 and 5; including forming along the long axis in each of the plurality of glass tubes a number, N, of sections of reduced inside and outside dimension as set forth in claim 23; and including applying a varying pressure to the tube as set forth in claim 36.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Further references of interest are cited on Form PLO-892, which is attachment to this office action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ellen Kim whose telephone number is (703) 308-4946. The examiner can normally be reached on Monday and Thursday.
